THE JOURNAL OF MEDICAL IMAGING AND RADIATION SCIENCES
LE JOURNAL DE L’IMAGERIE MEDICALE ET DES SCIENCES DE LA RADIATION
TABLE OF CONTENTS

287 // About the Winning Cover Image

Message from the Guest Editor

288 // Person Centered Care: Supportive Care in Action
Angela Turner, MRD(II), BA, MHSc

Guest Editorial

290 // Patient Engagement in Research and Innovation: A New Framework
Artinda Ruco, MPH and Kathryn Nichols, PhD

Clinician Perspectives

294 // Coding with Pediatric Patients at King’s College Hospital: Experience from a London Hospital
Gafkos Havajmov, BSc (Hons), MSc and Natalie Christoff, BSc (Hons)

298 // It’s the Little Things: Small Gestures in Patient Care, Big Impact
Natascha McMaster, RT(II) and Jennifer DeGibbli, RT(II)

Feature Articles

299 // Cancer, from the other side
Janice Wilson, MRD(T)

316 // Remember
M. David Harson, BA, BEd, RTR

Research Articles

309 // What is Person-Centred Care? A Qualitative Inquiry into Oncology Staff and Patient and Family Experience of Person-Centred Care
Romina Calisi, MRT (T), BSc (Hons), HM(HC), Susan Boyko, MRT (T), MEd, PhD(t), Angela Vendette, MRT (T), BA (Hons) and Anthony Zager, MRT (T), BNMRSc

315 // Communicating with Emotional Patients: Thoughts, Skills, and Influencing Factors for Ontario Radiation Therapists
Lorraine Huley, MSc, RT(III), Angela Cashell, MSc, MRT(III), Carina Feuz, MSc, MRT(III), Anne Jasop, MSc, Annette Sperduti, MS, MRT(III), Ellen Moyo, MEd, MRT(III) and Tara Rosewall, PhD, FCAMRT

323 // Exploring the Experiences of Left-Sided Breast Cancer Patients Receiving Radiation Therapy Using the Active Breathing Coordinator
Angela Cashell, MSc, MRT(III), Janatia Oldsen, BSc and Tara Rosewall, PhD, FCAMRT(II)

329 // Addressing the Patient Experience in a Magnetic Resonance Imaging Department: Final Results from an Action Research Study
Zachary Munn, PhD, Alan Pearson, PhD, Zoe Jordan, PhD, Fred Murphy, PhD, Diana Pilkington, GradCert MedRadi and Amanda Anderson, GradCert MedRadi

337 // Informing Patients About the Cancer Induction Risk of Undergoing Computed Tomography Imaging: The Radiographers’ Perspective
Sophia Newman, MSc

349 // The Alberta Ocular Brachytherapy Program: Utilization of Patient Feedback to Guide Improvements
Wendy Read, MRD(III), ACT, FCAMRT, R. Truman Crippen, PhD and Ezekiel Weiss, MD, MPH, FRSC

Review Articles

356 // Patient Experience in Medical Imaging and Radiation Therapy
Amanda Bolderston, RT, BSc, MSc, FCAMRT

362 // Strategies to Improve Radiographic Practices for Patients With Alzheimer’s Disease: A Systematic Review
Angie Chang, BRadiMed Imaging(Hons), Nabita Singh, MBiostat(Hons), Lori Boyd, RTR, MA and Celeste Levason, PhD
