I AM THE NEXT CHAPTER

ROZITA LIPARI INTRODUCES THE NEW NIKON FULL FRAME D850.
To help announce the best all-around camera we've ever created, Nikon teamed up with award-winning wedding photographer Rosita Lipari. With the D850's unmatched combination of resolution and speed, featuring a 45.7 MP full-frame CMOS sensor and 9 fps continuous shooting, Rosita was able to capture her creative vision like never before. Matched with full-frame 4K UHD video, the D850 ushered in a new era of bold expression and expansive storytelling.
